

## The Sailing Program

Students learning to sail or seeking to improve their sailing skills should sign up for the Sailing program. Classes are divided by age and skill levels. There are four 2-week sessions for students age 8 and entering the 3<sup>rd</sup> grade to high school. Four 1-week “Try-It” sessions are an option for 1<sup>st</sup> time students between the ages of 8 and 11.

## The Racing Program

The 4-week Racing Programs offer intensive racing training to prepare students to compete in regional regattas. Racing students must have previous sailing instruction, program director’s approval, and a strong interest in racing to enter this program. The YSP highly recommends that students start with Optimist racing. More information on the regattas will be available at the YSP orientation session.

## Student Handbook

The student handbook with complete information on the program may be downloaded from the QYC website: [www.sailqyc.com/ysp](http://www.sailqyc.com/ysp)

## Camp Status Statement

The QYC Youth Sailing Program is registered as a children’s sports camp with the Town of Wakefield Board of Health. This camp must comply with regulations of the Massachusetts Department of Health and be licensed by the local board of health. Parents/guardians may request copies of the QYC Youth Sailing Program policies on staff background checks, healthcare, and discipline.

## The QYC Youth Sailing Program

The QYC YSP goal is to provide a safe, encouraging environment for students to learn to sail, to develop their sailing skills, or learn to race. The YSP focuses on the fun, enjoyment, accomplishment, and self-confidence that results from learning to sail. Our instruction is based on US SAILING curriculum, and is carried out in age and skills appropriate classes. There are also group activities that encourage social interactions and friendships among the students. Students learn skills that will form the foundation for a lifelong love of sailing. They also learn the proper use and care of boats, sails, moorings and the docking area. Safety standards are taught and strictly enforced.

### 2018 Youth Sailing Program

## Ages

The YSP enrolls students from age 8 and entering 3<sup>rd</sup> grade to high school.

## Swimming

New students must bring a certificate from a recognized swim program, such as the YMCA or Red Cross that indicates successful completion of the following test: swim (without life jacket) 125 feet using any stroke, tread water for 2 minutes and then put on a life jacket while treading water 6 feet deep or more. The Burbank YMCA in Reading provides swim tests by appointment.

## Safety Requirements

All students must provide their own Coast Guard approved Type III life jacket, which will be worn at all times when students are on the docks or in the boats. Students also need to provide and use appropriate sun protection: sun block, lip sun block, hat, shirt and UV-filtering sunglasses. Closed-toe shoes are required.

# QYC YSP 2018

## Summer Schedule

9 AM to 4 PM, Monday-Friday

Program	Session	Dates
Racing	R1	June 25-July 20
	R2	July 23-August 17
